PUBLISHED BY THE ANNUAL STAFF OF  
WARWICK HIGH SCHOOL  
WARWICK, VIRGINIA

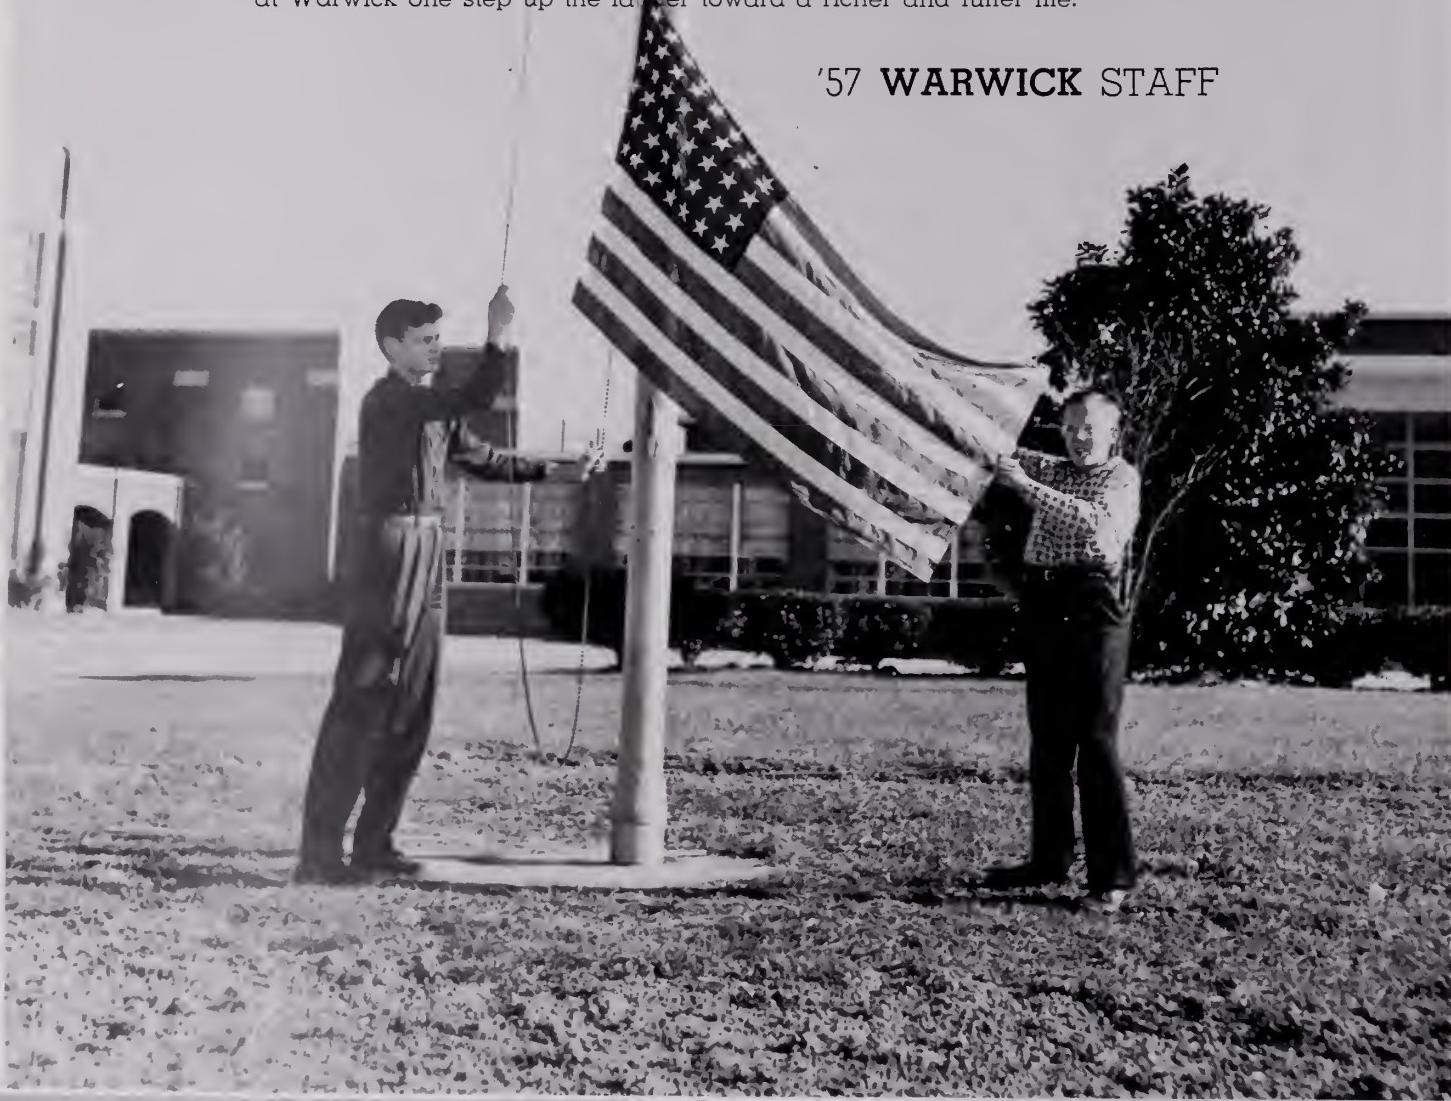

# FOREWORD

"Our strong band shall ne'er be broken,  
Formed in Warwick High . . ."

With the close of another school year, some of us will be hearing our Alma Mater for the last time. Many memories are mingled with these lines—lectures, labs, field trips, quizzes, dances, assemblies, games, homecoming, and untold others.

Between the covers of this book, one may find a record of this year's activities. It is our greatest desire that, as you glance through this book in years to come, you will recapture these memorable moments . . . and the echoes will begin again. As you do this, we hope you will consider your experiences at Warwick one step up the ladder toward a richer and fuller life.

# DEDICATION ~

It is not very often that we find a person who contributes so much to the students of Warwick as this year's dedicatee. She has guided and helped us in many phases of our life here. We can never express in words our deep gratitude to her for all the beneficence she has shown us.

She has been a personal friend in whom we could confide and find an answer to our problems. Her untiring efforts, sincere interests, and selfless willingness lead us to strive for greater heights. She tries to instill in all her students, above all else, the ability and desire to think for themselves. She is not only a valuable asset to life at Warwick, but to the personal lives of the individuals with whom she comes in contact.

Her fine character and untiring efforts to make the best of unpleasant situations has been an inspiration to us. For her boundless energy, her perpetual vitality, and her deep devotion to her chosen profession of education, we dedicate this our 1957 Warwick to Mrs. Bruce Grenoble.

## The Administration Heads &

Heading the Warwick Public School System is Superintendent T. Ryland Sanford. For years he has worked with the public schools trying to better our educational system. School activities and programs are greatly influenced and determined by Mr. Sanford. It is through his untiring efforts and sincere interests that the students of Warwick have for their use a modern plant consisting of seven buildings, and the facilities necessary for a varied curriculum. Assisting him are Mrs. Winder, director of Instruction, Mrs. Mitchell, director of Art Education, and Mrs. Haverty, Visiting Teacher.

As the heads of Warwick, Mr. Cox, and his two assistants, Mr. Davis and Mr. McConnell, have a big job on their hands. It is their responsibility to keep the school running smoothly which may mean anything from a decision on school policy

Assisting these capable leaders is the efficient office staff under the supervision of Miss Margaret Thomas. Their main duties consist of typing, mimeographing, delivering messages, answering telephone calls and filing; however, they can always be depended upon to assist students and teachers when ever the need arises.

The Warwick High School Parent-Teachers Association experienced a very successful year. A large number of parents were present at the meetings and enjoyed the programs, especially the "back to school" night.

The main objective of the association was to continue projects which have been in progress several years. Two \$150 scholarships were again awarded to graduates who will enter the teaching profession; an eye test clinic was conducted; and patrons again served as chaperones at dances and recreation nights.

# Our Curriculum is Varied

Industrial Arts teaches those students who are interested to use various types of machinery such as the sander and printing press.

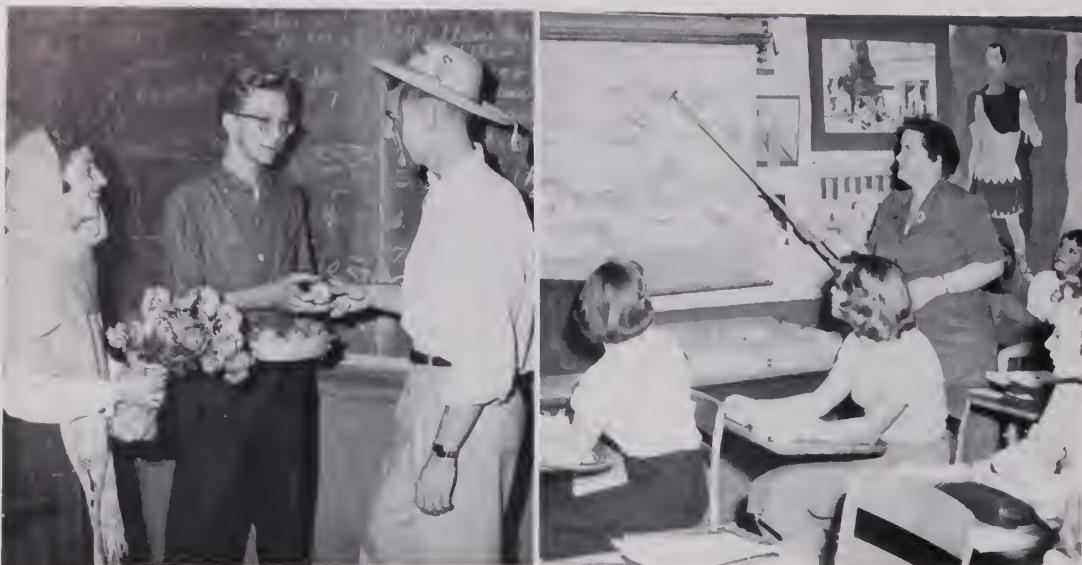

Painting murals and individual handiwork are a part of the art department's offering to students.

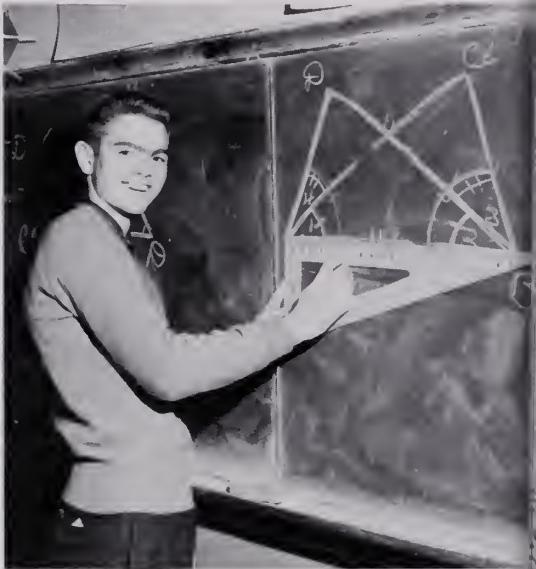

Experimenting with and learning the parts of motors are some of the things done to offer scientific background to pupils entering college as well as everyday life.

## **Its Courses Are Varied**

The Foreign Language Department teaches not only the grammar, but also the customs of the people and the traditions of the country. Many activities are offered to students in this department.

Constructions, geometrical figures, equations, and formulas play an all-important part in understanding and learning the basic mathematic skills taught in our Math Department.

Cooking their own food, making their own clothes, and acting as hostesses or guests as meals are served, help the girls in Home Economics Classes to concentrate upon the problems in Homemaking.

# To Meet The Needs and Interests

Projects and classroom activities dominate a large part of the social studies courses; for example, the presidential elections added color to the classroom activities, while government classes had trials in which they learn to defend themselves.

Individual help from the teacher and student participation help pupils further their knowledge in the field of English. Speeches, drawings, panel and class discussions, study of good literature, and creative writing form a part of the varied program.

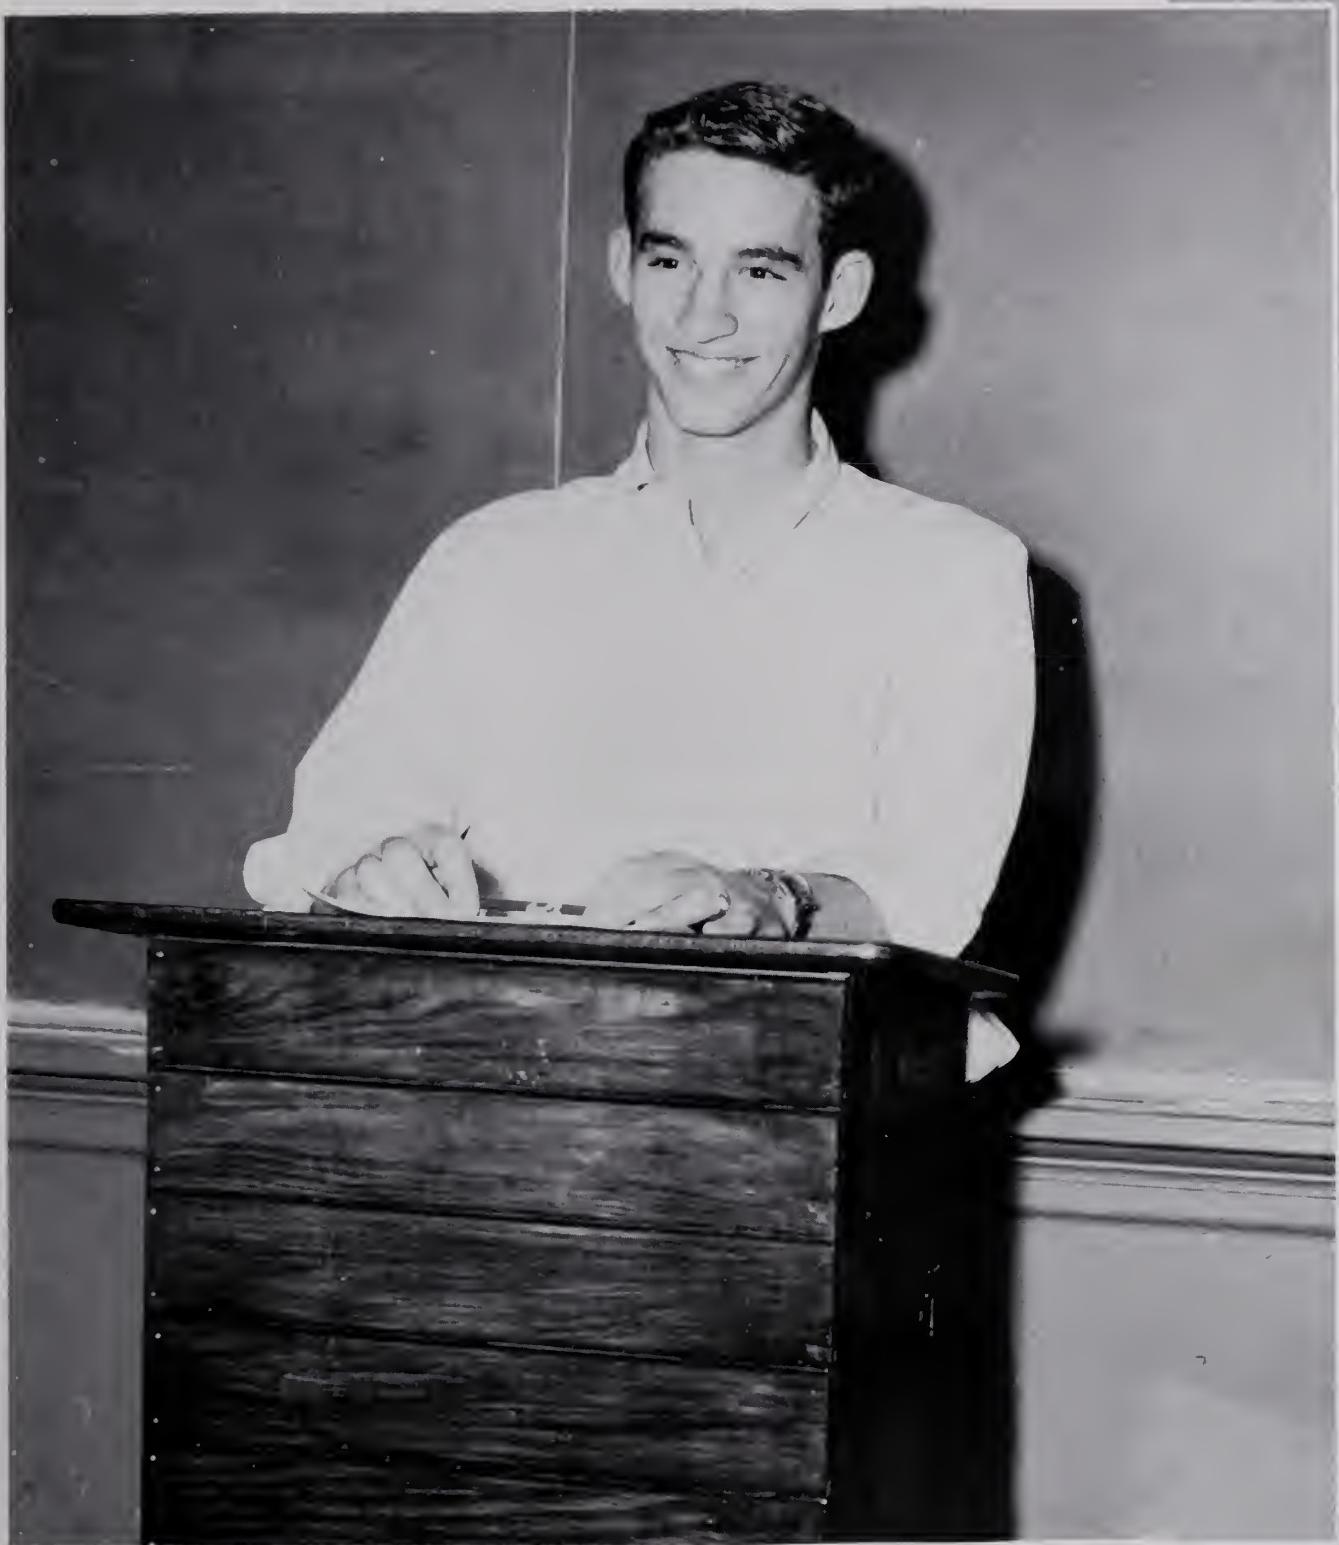

## Of All the Students

The programs for the gym classes were extensive and varied. Faculty and student planning was just as large a part of the class as was the actual participation.

These students find that music plays an important role in our school life.

Many students plan for their careers by studying business in high school. Typing and shorthand dominate a large part of the business field.

# OUR ACTIVITIES

Nancy Curtis, S.C.A. President

How was homecoming? Did the activity ticket reach its goal? Were you high salesman for your homeroom during the magazine campaign? These and many other questions were asked about the S.C.A. activities this year.

Activity tickets were sold to over twelve hundred students and \$4,774.25 was realized from the annual magazine campaign. The results of these two projects — the money makers of the S.C.A. — began a successful year.

Homecoming proved to be a grand success under the direction of Joanne Magilley and her committee. For the first time we had a homecoming dance which was enjoyed by many students. The patrols and traffic committee did a fine job this year. Due to their fine record, few accidents occurred at Warwick. A vote of thanks goes to Mr. Locklear for this fine work with the Patrols. The traffic committee succeeded in keeping the halls quiet for others to study during the lunch hours. Recreation nights were continued, and Pat Conners and his committee really gave the student body some memorable nights of fun and frolic. Safety Week was sponsored by our Safety and Civil Defence committee. This program was well planned and was of great benefit to the students and faculty here at Warwick.

In October we were honored to be the host for one hundred delegates of the Chesapeake District Convention. Phyllis Hockaday and her committee did a wonderful job on making the convention a success. Warwick again joined the Peninsula Federation along with Hampton and Newport News. The Federation sponsored an exchange assembly, an honor week, and other worthy projects. Warwick gained much from working with the other peninsula schools.

Our Honor Council, under the leadership of Mary Catherine Sellars, revised and strengthened our Honor Code. They took charge of Honor Week here at Warwick and presented a very interesting assembly.

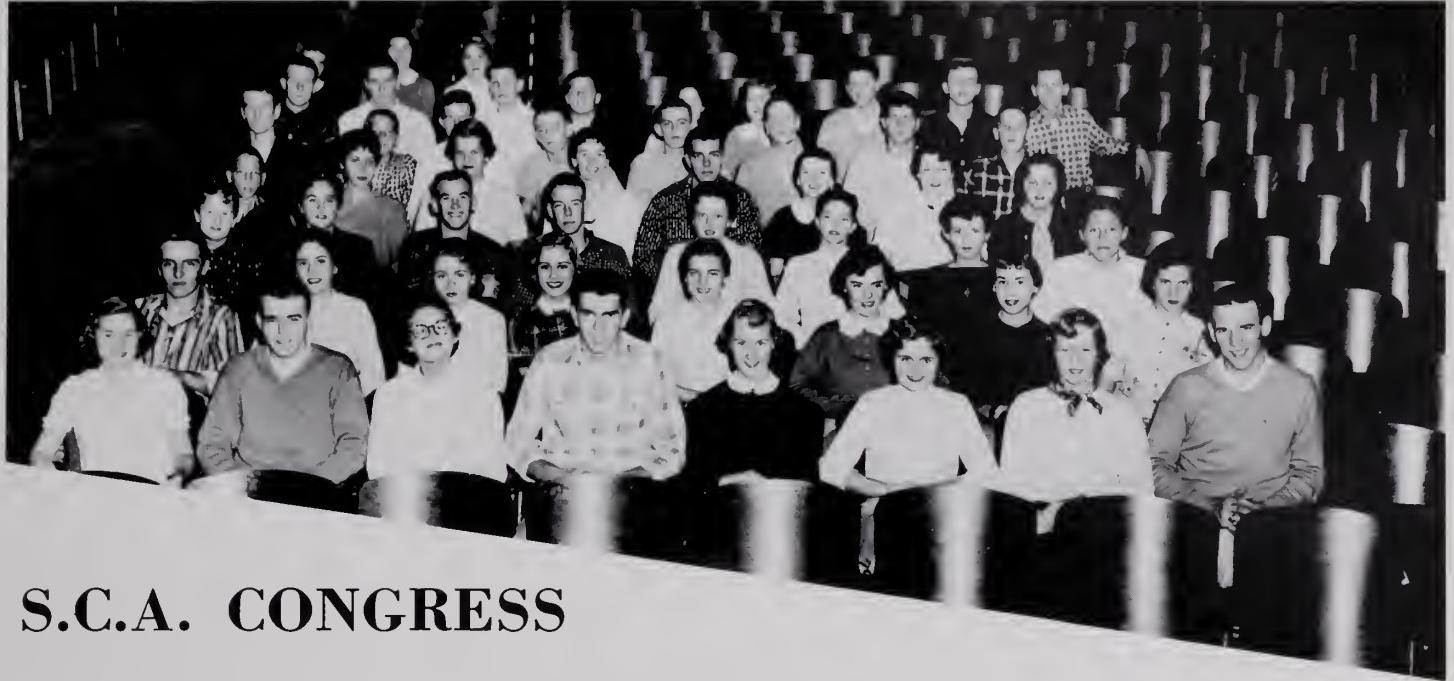

There were many other projects which proved very successful. Nancy Curtis, as our president and her council and Congress gave us a most memorable year with the S.C.A.

## S.C.A. CONGRESS

The Congress includes the Executive Council and representatives from each homeroom. The regular monthly meeting is held on the second Wednesday at which time all S.C.A. business is carried on. The minutes of each meeting are mimeographed and sent to the homerooms in order that the Student Body may be informed as to what their representatives are doing.

## HONOR COUNCIL CO-OPERATIVE ASSOCIATION

The Honor Council consists of two representatives from each class under the leadership of Mary Catherine Sellars. Its main objective is to plan ways to make the Honor System more effective.

# THE WARWICK

The WARWICK'S editors are discussing plans for the "dummy" with Mrs. Grenoble

Under the guiding hand of our sponsor, Mrs. Frances W. Grenoble, and co-editors Helen McArthur and Phyllis Hockaday, the Annual Staff successfully weathered a year of trials and tribulations.

The first job was selling ads, and the fact remained with us that if we did not sell them, we would not have an annual. This made us work harder toward our goal. Pounding the sidewalks day after day, we finally reached our goal. Next came the

scheduling of pictures. Trying to get appointment cards to the students before the appointed day arrived was both exasperating and hectic. After the pictures were taken, we started working on the "heart" of the annual. One of the hardest jobs in making an annual is writing up copy. It takes a lot of time, thought, and chewed pencils. Typing copy is also very important, as any errors not caught by the staff will appear in the book.

The responsibility of co-editorship is a big one, but Helen and Phyllis did their work well. They gave us our jobs: Faye, Kitty, and Sue working on business; Peggy and Nancy, literary; Donnie and Nancy, advertising; Mary Catherine and Anne, pictures; and Sue and Kitty doing the typing.

A big thanks to Mrs. Grenoble, for without her help and guidance, this annual would not be possible. We have all worked hard this year to put out one of the best annuals Warwick High has ever had. We hope you like it!

Every other Friday, the aroma of freshly printed material floats through the hall. This scent is native only to "The Earle". A clean well-developed newspaper is the goal towards which we work. Yet, few realize the headaches, backaches, and even heartaches which the Earle Staff undergoes. Few know the labor to type each line correctly, to set each head the right size, to sell our livelihood — ads. Few see the "behind the scene" action that spreads doubt as to whether the deadline will be met or as to what will pass Mrs. Robert's sanction. Behind all this, in each of the twelve staff members' minds, lies the united desire to write for the enjoyment of Warwick High School. They write to please the majority, setting their desire to please everyone, in as far as possible.

Hours after school, Saturday mornings, and the setting sun, often see us working diligently to publish a paper — a paper produced ONE HUNDRED PER CENT BY THE STUDENTS.

We gather and sift much material, listen to students' infallible complaints, and heed the teachers' experienced criticisms. The Earle Staff of 1956-57 set new records — records taken for granted by Warwick High School, such as more issues this year than ever before, more advertisements, a neater paper, and for the first time in the history of the Earle, the meeting of our deadlines. We have a school to be proud of. We try to interpret that school to the community. The Earle Staff has a common interest — to relate events as seen through the eyes of the Earle of Warwick.

Members of the **Plough** work on the contents of the magazine.

Our school magazine, "The Plough", represents the best of our school's literary work. A lot of hard work goes into the pages of this newest addition to Warwick's publications. Under the sponsorship and guidance of Miss Peggy Worthington, the staff, made up of thirteen girls and one boy, works very diligently after school one day a week and sometimes more, as the deadline approaches, to put out "The Plough" for the students' enjoyment.

This year Harriet Taylor, editor, and Diane Rawles, assistant editor are assisted by Pat Byrd, Hayes Brooks, Sally Sue Huffman, Sandra Snyder, Sandra Hobbs, Sue Robertson, Lee Anne Parkman, Thomas Waters, Majorie Olsen, Neal McKinney, Sharon Alderson and Charlotte Gills.

"The Plough" contains the best poems and prose that the students of Warwick High write. Work may be submitted personally or through English classes for thorough consideration by the staff.

Two publications were published this year which greatly promoted opportunities for the literary work of the students to be read and enjoyed by all.

The Warwick Playhouse is composed of students who have displayed an interest in dramatics through participation in dramatic presentations.

This year the Playhouse, under the direction of Mrs. M. H. Eubank, produced two successful three-act plays, **A Man Called Peter** in the fall and **Great Big Doorstep** in the spring, as three one-act plays in January. The other activities of the Playhouse also included the reviewing of new plays, attendance at various outside plays, talks by people in the theater.

The Warwick Playhouse hopes that it has increased the appreciation and interest in drama of the school.

## A CAPPELLA CHOIR

The past school year has been a happy and a full one for the members of the A Cappella Choir. We will always remember the companionship and love of music that we shared.

Our annual Fall Concert is an ever present memory, as is the Christmas assembly and our beautiful Candlelight Service. We recall many of our favorite

songs, "Dry Bones", "The Song of Christmas", "Carol of the Bells", and so many more. We remember our operetta and how nervous we were before the performance. As always, we were anxious to please our audience.

The Seniors who are leaving have only their memories of the Choir. It will be left up to the present and future members to maintain the tradition inspired by Mrs. Barclay Sheaks. To her we owe a debt of gratitude; for without her enthusiasm, encouragement, and understanding the Choir would have been found lacking.

# FUTURE HOMEMAKERS OF AMERICA

The Warwick Chapter of Future Homemakers of America began its year's work on September 18, 1956. Several members discussed their summer activities. Barbara Davis represented Warwick High School and the Peninsula Federation at the National F.H.A. Convention in Chicago, Illinois.

In October our new members were initiated. We have enrolled twenty-seven members.

A yearbook was distributed in November to each member. Every project and program of our year's work was listed there. This school year we had two open meetings when other people might learn of our projects. A tea was given in December, and our parents, teachers and friends were invited.

Our organization has undertaken several worthwhile projects: we have studied our part in Civil Defense; collected books and magazines to be sent to local hospitals; and entertained several children during Parent Teacher Association meetings.

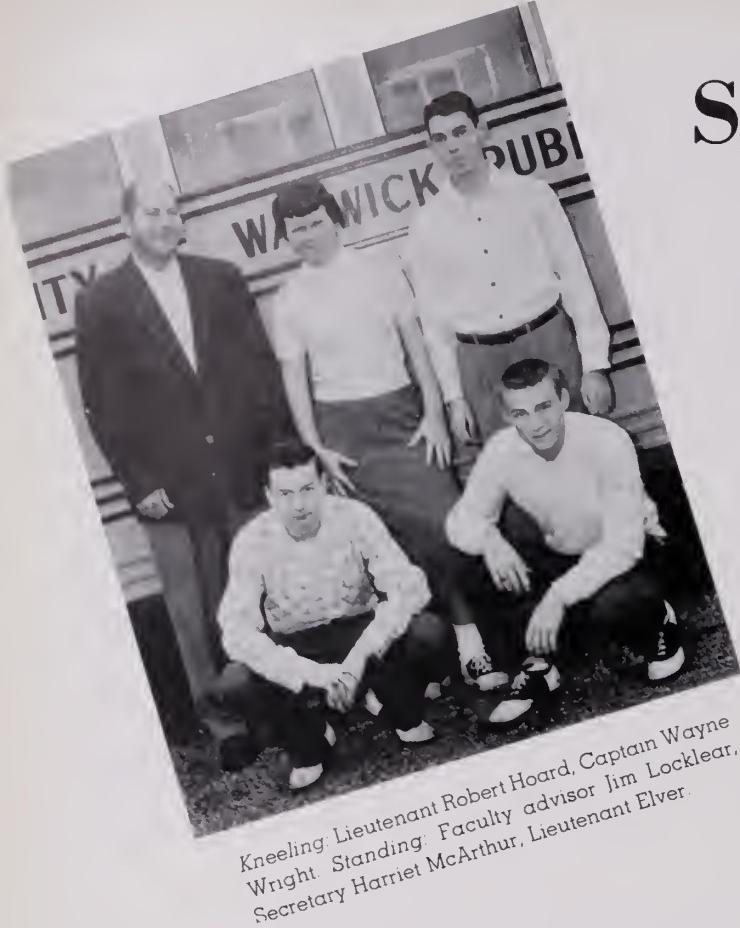

We did not limit our efforts to local work. We took an active part in two Federation Rallies, and our chapter planned the general theme for each Rally.

# SAFETY PATROL

Kneeling: Lieutenant Robert Hoard, Captain Wayne Wright. Standing: Faculty advisor Jim Locklear, Secretary Harriet McArthur, Lieutenant Elver.

The Safety and parking lot patrol met at the beginning of the school year in September with 75 candidates reporting. The patrols were on duty while riding the buses and were in the parking lot while buses were loading and departing. The purpose of both patrols was to help insure the safety of our students while on school grounds or in school custody.

The student patrols were under the capable leadership of Wayne Wright, Captain and Harry Elver and Robert Hoard, Lieutenants.

In the future we hope that many members of the Junior and Senior Classes will come out for Safety Patrol. We would like to build the patrol into one of the most active and energetic organizations of the school.

Is the Safety Patrol worth our effort? We believe it is very valuable to the school; for, if we have contributed to the safety of one person, we feel our job has been accomplished.

These members of the Patrol deserve a vote of thanks from the entire school—"safety for one and all," their motto.

"Eight seats over, please" is a familiar saying of the sixteen ushers of Warwick High School, performing one of their regular duties by ushering at the Friday morning assemblies. In addition, it is the duty of these energetic individuals also to represent their school by ushering at graduation exercises, concerts, and plays.

This capable group is chosen each spring by an S.C.A. committee from a long list of eager applicants. Their scholastic record, dependability, leadership, poise, and neatness in appearance is considered before they are chosen.

Being an usher puts one in an honored position requiring time and hard work. We think the ushers of this year can boast a job well done. They have truly set a fine example for the rest of our school to follow.

Marking of the reserved section is a regular duty of the ushers.

"May I check that book out for you?" is a familiar question asked by the library assistants. This year our library assistants were quite eager to check out books with the new charging system. It was installed at the beginning of this year and has proven to be a fast, accurate, and efficient method for charging books out to

the students. Each student is assigned a library card in September which he will keep during his whole high school career. Over 1800 students and faculty members have library cards. We are the only high school in Virginia to have this system of electrically charging out books.

Mrs. Harmon and the library assistants are now working in a survey to find out the number of books read by boys and the number read by girls this year.

The library assistants are a valuable asset to our library. Some of their duties include, changing the bulletin boards, mending books, checking books and stamping and checking library permits. The assistants also learn how to operate the audio-visual equipment. There are thirty-six library assistants. Both boys and girls serve and they are picked by Mrs. Harmon. The students enjoy working in the library as evidenced by the fact that many work each year. They all admit, "It's hard work, but you don't mind work when you are having fun."

## VARSITY FOOTBALL

Coaches Locklear, Hamilton, and Williams explain a play to Co-captains Bobby and Doug

Warwick High didn't realize its hoped-for Football Championship in 1956, but the Farmers gave their followers one of the most exciting teams in the school's history and a third straight Peninsula title for good measure.

The highlighting moments of the season, during which Warwick won seven games, lost two, and tied one, came against archrival Hampton and in a never-to-be forgotten 64-41 "adding machine" victory over a fired-up Maury team.

The Farmers came from behind to win a 25-20 thriller over Hampton, the game that eventually decided Warwick's Peninsula Championship. It was easily Warwick's "shining hour" of the season; and, fittingly, it was a fourth-quarter touchdown pass, thrown by the Farmer's quarterback sensation, Norman Snead, that brought Warwick its biggest victory of the '56 season.

P. S. WARD'S ESSO SERVICE STATION

# ON TO VICTORY

Snead, who broke a school record, as well as what is unofficially a Group One Record, hurled 14 touchdown passes—nine of which were caught by end Bobby Allen—who, like Snead, was named to the All-Eastern District Team, the All-Peninsula Team and second team All-State. The Snead-Allen touchdown combination was the finest in Warwick football history, and it was supported by the terrific running of backs Lowell Vaught, Frankie Johnson, Bobby Irby, and Steve Bower.

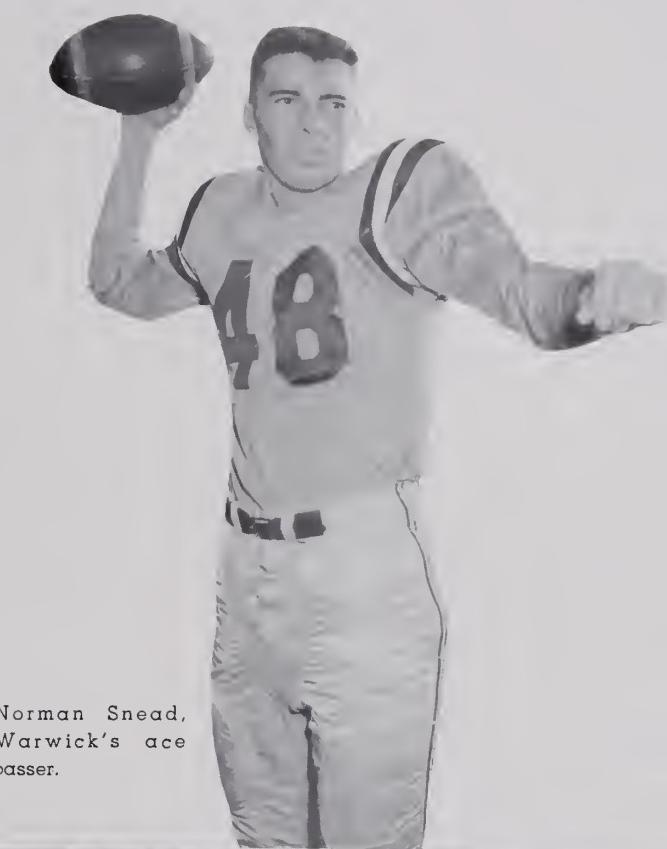

Before looking ahead in the 1957 season when the Farmers will try again to crash the championship circle, the school's followers won't soon forget the performances of the senior boys who gave their best for the school.

Kellum, a junior of whom great things are expected again next season, was another Warwick player who was chosen to the All-Peninsula Team, and he just missed All-District.

As for the next season, prospects are generally encouraging, with 12 lettermen returning and a host of promising players ready to graduate from the Junior Varsity ranks.

Under the guiding hand of Coach Joe Agee and the leadership of its versatile Captain, Norman Snead, Warwick's basketball team, dotted with question marks at the beginning of the 1956-57 season, proved to be one of the top teams in Eastern District play by the end of the year.

After an up-and-down campaign in which they carded a 10-10 record to tie with Suffolk for sixth place in the regular season standings, Warwick's cagers turned in highly impressive performances to win third place in the second annual Eastern District Tournament at Portsmouth.

In the process, Snead who posted a 21.3 average during the regular year, added even more luster to his reputation as one of the State's best all-around athletes. Climaxing his court career in brilliant fashion, he was honored as the tourney's most valuable player.

His 41 points in a 78-57 victory over arch-rival Hampton on the last night of play was a new single game scoring mark, and his 107 points for the tournament almost doubled the previous playoff scoring record of a single player. He set another tourney point mark by dropping in 31 of 40 foul shots.

Warwick's team total of 211 points for three games also was a new tourney record, erasing a mark of 193 set by Woodrow Wilson.

While Snead was Warwick's key man throughout the season, he was ably assisted by Hamilton Newton, Bobby Allen, Buddy Olney, Bart Partch and Jay Lambiotte.

# WRESTLING

Co-captain, Frankie Pultz, Coach Hamilton, Co-captain, Bobby Charles.

Under Coach Romie Hamilton, Warwick's wrestlers, who year before last became the first in Virginia to ever defeat powerful Granby, have regularly formed one of the State's foremost high school mat squads. This year is the second straight year for Warwick's wrestling team to go undefeated. The year closed with a record of 7 wins and 2 ties which brought the team 26 matches without a defeat and only one loss in the last 37.

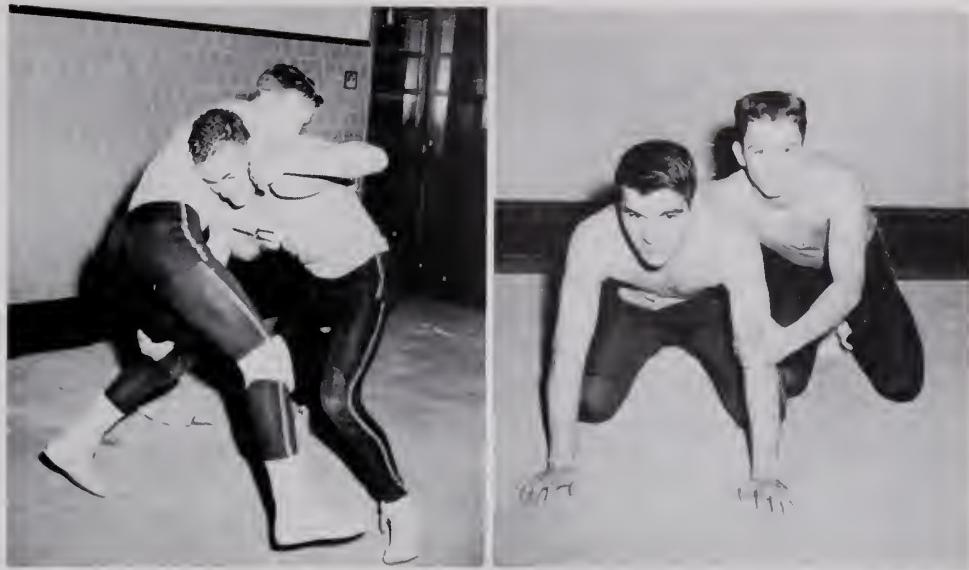

The two ties went to the State Champions Granby (26-26) and the up-and-coming Princess Anne Cavaliers (23-23). The only other real opposition came with Norview who gave the Farmer's much competition, but finally went down to defeat, 26-19. The rest of the season brought forth very little competition with Warwick scoring easy victories over Woodrow Wilson (33-13), Maury (42-8), Oscar Smith (46-7), Highland Springs (56-0), Douglas Freeman (52-0), and Virginia Beach (56-0).

Coach Hamilton's wrestlers came in third in the State Tournament with two state Champions, Steve Bower and Lowell Vaught, who each posted 9-0 records for the year.

# VARSITY

Warwick's baseball team seems to insist on always being a bridesmaid, but never a bride. For the fourth straight year, the Farmers of Coach Jim Locklear landed in second place—this time after losing a play-off game to Newport News, 13-4, in Peninsula War Memorial Stadium.

The finale to an otherwise highly successful season marked the first time Warwick had allowed more than four runs to be scored against it during its 17-game season. The Farmers and arch-rival Newport News both finished the regular season with eight Eastern District games won and two defeats.

Warwick's two defeats were administered by Craddock, 4-0, and Norview by a 4-3 score. Locklear's squad won 14 games and lost three over-all, in the coach's last year at the helm of the Farmers.

Paced by the ever-steady bat of Jack Dabney and Hamilton Newton, Warwick turned in a team average of .292 for the season. Catcher

# BASEBALL

Dabney rapped out 23 hits in 61 trips for a .377 average and batted in 15 runs. His batting mark was the highest on the Peninsula.

Centerfielder Newton at .347, third baseman Billy Black with .322 and second baseman Mike Jurscaga at .300 topped the regular batting parade. Pitcher Curt Edwards, who won six and lost once (to Norview) had a .375 average in 32 at-bats and Bobby Allen, another pitcher, compiled a .381 average in 21 trips to the plate.

Little "Booger" Newton, the speediest centerfielder in the District, slammed out five home runs and batted in 16 runs—both tops on the Peninsula.

The smooth-fielding infield had Wayne Register (.214) at first, Jurscaga, Shortstop Bart Partch (.257), Black and Dabney. Regular outfielders with Newton were Bobby Irby (.235), Jim Russell (.417), who won a late-season berth. Val Hopkins (2 won, 1 lost), Mike Bahr (1-0) and Allen (5-1) completed the pitching staff.

Coaches Hill and Locklear.

Second Row: Jimmy Brittingham, Dick Ward, Wayne Deans, Jim Shorter, Sidney Robertson, Bryant Mayo, John Pully, John Hamilton. Third Row: Norris Perry, Scott MacLeod, Robert Dickinson,

This year the Warwick track team has broken many records and made a fine showing throughout the state. In indoor track Vaught, Bower, and Snead placed at the State meet in Lexington.

In outdoor track Warwick competed in the Tidewater Track Meet and lost by only five points. Warwick had five firsts which made an excellent showing for our school.

In the Virginia Pilot Relays at Foreman Field in Norfolk, Warwick's only win was a second place in the 440. Warwick, however, stood out in the invitational events with three firsts.

The following Saturday at the Eastern District Meet came Warwick's finest hour. In field events, firsts went to Vaught, who broke records in both shotput and discus; Bower and Hudgins for pole vault; and Deans for the broad jump. In the running events Snead and James excelled. With these performances, Warwick became the Eastern District Champions for the first time in school history.

One dual meet which meant much to Warwick was the meet with Newport News. In a thrilling finish Warwick finally wound up with a 61-52 win.

At the State Meet to be held May 18th, Warwick is a top contender for the State Championship.

First Row: Gordon Weeks, Robert Brooks, Tommy Snee, Norris Perry, Sidney Robertson. Second Row: Waytt Royall, Bobby James, Bryant Mayo, Larry Resplass, Donald Snead. Third Row: Coach Hubbard, Billy Hancock, Don Blankenship, John Pully, David Weber.

# TENNIS

Warwick High School's struggling tennis team continues to fight regardless of their handicap. Playing all of their matches away due to lack of courts, they at present have a 5 lost and 1 victory record.

Despite their poor showing, it must be said that tennis courts on which to practice would help immensely. The boys who played this year should be commended for their efforts despite the losses.

The team was made up of: Bill Gillespie, a sophomore who should be one of the best in Tidewater for the next 2 years; Bobby Dishman, who could be a top notcher with a little more experience; Jim Norris, a senior whom we hate to lose; Dennis Dickinson, a junior who has good possibilities and a lot of heart; Duncan Ashe, a senior who will be sorely missed; and Rodger Anderson, a senior playing his first year of tennis and helping a lot.

Next season if Warwick possibly could have their own courts, a definite upswing in this declining sport would be bound to follow. There are many young boys at Warwick who like tennis and who would be out for the sport if proper facilities were available.

First Row: Dennis Dickerson, Jim Norris, Bill Gillespie. Second Row: Coach Williams, Bobby Dishman, Roger Anderson, Duncan Ashe.

# GOLF

The Warwick High Golf team won the Eastern District match play championship. Only two regular players, Morris Johnson and Roy Hyle, returned from last years team which won three matches and lost six.

The practice season began with many new faces and young talent. Among the new comers were Billy Cowardin, a sophomore; Wayne Spencer, a freshman; and Gene Moss, a junior.

The four players who won regular berths were: Billy Cowardin, Morris Johnson, Roy Hyle and Wayne Spencer. Gene Moss was an alternate.

The boy's individual records were: Billy Cowardin won 5, lost three and tied one. Morris Johnson, who played number two and three man, won eight and lost one for the best overall record. Roy Hyle, who played two, three and four man during the year won 4, lost 4, and tied one. And number three and four player, Wayne Spencer, won seven and lost one. Gene Moss was defeated in his only start.

# VARSITY CHEERLEADERS

Co-captains, Ann Radcliffe and Helen Walker.

"Victory, victory, is our cry!" Thus, did these nine snappy cheerleaders shout endlessly through the '56 athletic season. Their pride and faith in the teams certainly rubbed off on the enthusiastic students yelling wildly for our boys and their successful year on the gridiron and basketball court.

Their unique pep assemblies aroused the wonderful school spirit of the student body. These assemblies ranged from the portrayal of the dethroning of Princess Anne to the capturing of a stray Crabber from Hamp-

"Are you proud of your school?"

ton High School. These were cleverly written and presented by the cheerleaders themselves.

The girls added color and excitement to the games with their maroon and white uniforms. Frequently they surprised the students with their attractive uniforms of all maroon.

To our wonderful Varsity cheering squad, we give a salute for a job well-done during the '56-'57 athletic season.

# J. V. CHEERLEADERS

In their charming maroon and white uniforms, these peppy girls really learned their cheers well this year. Their wonderful cheering and school spirit added to the color and spice of the games.

There were four new girls on the squad but they soon caught on to the technique of cheering and getting the crowd to yell.

All in all, these girls livened the spirits of the teams and helped to lead them on to victory. We are all very proud of our J.V. cheerleaders and we hope to see some of them on the Varsity cheering squad in the future years.

# OUR CLASSES

# FRESHMAN OFFICERS

We, the 1956 freshman class, now truly are representative of Warwick High School. Since this was our second year at Warwick, we felt we could assume our responsibilities a little easier. We came, we saw, but we have not conquered Latin, Algebra and the many other subjects we have studied this past year. As anxious as we were to meet our teachers for the coming year and to find out about the many new classes we had chosen for the term, we were looking forward most of all to the many activities in which we now could participate. Many of our boys were eligible and made the eighth and ninth grade teams; one of our members made the Varsity team. Four of our prettiest girls became Junior Varsity Cheerleaders. Some of our class took part in the plays and were active members on various committees. The magazine sales were also a great success in the freshman class.

Our class gave beauty to football when two of our most attractive girls became representatives in the homecoming court.

With more familiar surroundings, most of us pocketed our "Compasses" earlier than the year before. Being the youngest class at Warwick last year was expected, but because of the new junior high school, we were the youngest for even another year!

We developed new friendships and acquired new duties which will establish many pleasant memories as we look forward to our sophomore year. Our efforts to make this a successful year were worthwhile, and any obstacles were quickly overcome through the assistance of our sponsors and teachers.

## SOPHOMORE OFFICERS

The sophomores have run another lap in their journey through Warwick High School this year. Our classmates have taken an active part in the various phases of school life.

Many of our number helped carry the J.V.'s to victory, while our peppiest five did their best to cheer them on. Another of us acquired a place on the Varsity Cheering Squad to lead the "Big" team to victory after victory. Although very few sophomores were on the Varsity team, many of our class attended each game to add to the spirit.

We learned that there are ways other than sports by which one can be both helpful and outstanding in school. On each of the S.C.A. committees, there were some hard working sophomores. Helping to add to the enjoyment of the student body were many working in the different choral groups and

bands; we also proudly claim the Drum Major as a member of our class. In the magazine sales most of us did our best to help support the school and win useful prizes for ourselves. Several sophomores were cast in each of the plays, and others have taken parts in the various assemblies.

Though much of our time was taken up by social life, our class work achieved a place of greater importance. Something seemed to happen to us—in general we learned to assume our responsibilities more seriously. Even the teachers bear witness to this.

This year has been spent happily and will be remembered always in spite of all our trials and tribulations. We eagerly look forward to our junior year in the hope that it will be equally as happy and worthwhile.

A group of sophomores view the makeup process of the **EARLE**.

Mr. Hamilton gives encouragement to the J.V. followers.

Mr. Cox has talents we never knew before.

As long as there's beauty, chivalry will never die.

Taking annual pictures can be fun and very interesting.

Who said our photographer, Gene Edmonds, has a hard life?

# JUNIOR OFFICERS

It was hard to believe that we were juniors—the class we looked up to when we were "rats." We soon realized the fact, however, as we started worrying about what kind of class ring we should order. It was easy for many of us to decide because we had been planning and waiting for this a long time. I doubt that there was greater joy anywhere else in the world than in the Junior Class of Warwick High when we finally received the rings for which we had waited so long.

About the middle of the fall, we began to concern ourselves with that ever important part of the school year—the Junior-Senior Prom. We wondered if we could really carry out something as big as the Prom. But when the big day finally rolled around, we realized that our worrying, planning and working had paid off in a day that will long be remembered by the hard working juniors as the most wonderful salute a Senior Class ever received.

We were pleased to recognize our classmates in the plays, concerts, and assemblies. Having members of our class in the Congress and on S.C.A. committees, we played a large part in our school government. During the magazine campaign the Junior Class got busy and helped a

great deal, many of us winning prizes for our efforts.

The class was outstanding in sports also. Making up a large part of the various teams, we helped bring home many victories for Warwick High. While the boys were making names for themselves in sports, four of our girls were doing their part for the teams on the Varsity cheering squad by sparking enthusiasm in the audiences that turned out for our games. At the Homecoming game we were especially proud of our two prettiest girls as they took their places in the Homecoming Court.

The Juniors were ardent supporters of the school functions. We attended the dances, games, plays, concerts, and recreation nights with great enthusiasm. We were especially proud of each issue of the **Earle**, of the long awaited **Warwick**, and of the **Plough**, because so many of our classmates had worked so hard to make them.

As we watched the Seniors graduate, we knew that when we filled their shoes and even long after we were Seniors, we would treasure all the wonderful memories, that we had gathered during our reign as the Junior Class of Warwick High School.

## SENIOR OFFICERS

Graduation and all the thrills that never will come again, but whose memories live on forever were ours as seniors.

Determined to become a lasting part of Warwick—its activities and functions—we at once began work in this our last year.

Who could ever forget our first senior class meeting? It was then that each of us realized how large our class really was. The novelty of the occasion made it hard for our president to keep order; nevertheless, we covered many topics and made big decisions.

We selected as the class motto, "The Past in our hearts, the Future in our hands"; our never to be forgotten class song, "One God"; and our beautiful colors of red and white.

Not all the values of high school are to be found in the classroom—important as these may be. Every organization or club has contributed to the growth of its members. Boys and girls developed into leaders by participating in group activities, and by learning to evaluate and recognize the worth while characteristics that made leaders of others.

The memories we have been privileged to gather during these years at Warwick have been largely due to our parents—their loving guidance, their sacrifices, their never-failing confidence in us. To them we say sincerely, "Thank you."

Happily some of our most priceless memories will be of the friendships made with other students. We know these associations will influence us throughout life as thoroughly as any other experiences.

The commencement came, all too soon; was over, all too quickly. Even the open doors beckoned us as if to show that, although our high school days were over, "another book was open, the book of life."

A Closing Thought  
"I am only one;  
But I am one.  
I cannot do everything  
But I can do something.  
What I can do I ought to do.  
And what I ought to do  
By the grace of God  
I will do."

#### DOOR OF TOMORROW

The future is ours; it lies in our hands.  
In God we will trust and heed His commands.  
Onward! Onward — this is His cry  
"Things to be done," is His whispered sigh.

Upward we seek; upward we'll find!  
Forever upward 'til we gain peace of mind.  
Together we stood til' graduation day.  
Divided we'll stand while God paints the way.

The joys we once shared — memories they'll be.  
One life in our hearts — another yet to see.  
The parting we face brings tears of sweet sorrow,  
But we all await the opening — of the door of tomorrow.

***The Long-Awaited Diploma .***

# OUR FEATURES

William Donald Rhinesmith has proven himself to be very deserving of this title because of his wide participation in school activities and his high scholastic standing. Donald was elected as Second Vice-President of the S.C.A. his junior year and First Vice-President his senior year. He served on the S.C.A. Executive Council, Congress and P.T.A. Board these past two years. He was also elected by Congress as a delegate to the S.C.A. District Convention and S.C.A. Peninsula Federation for the past two years.

Donald has become well known at Warwick through his role as an actor. He has been either one of the leading characters or student director of the plays presented by the Dramatics Department the past four years. He was also one of the hard-working ushers last year. This year he has had the time-consuming job of serving as co-chairman of the Senior Will and Testament committee. (He was also one of the members of the annual staff this year who has helped in the publication of the **1957 Warwick**.)

This fall Donald plans to enter Washington and Lee University where he will study for a degree in history. We wish him the same success and happiness in the future as he has experienced in Warwick during his high school career.

William Donald Rhinesmith

## SENIOR

A most deserving Senior Leader is Nancy Lee Curtis. Since entering Warwick, she has been prominent in almost all phases of student life. She started serving her class in the eighth grade when she was elected Vice-President. In her freshman year she was again elected Vice-President and in her sophomore year, Secretary-Treasurer.

Nancy was a varsity cheerleader for three years, starting in her sophomore year. We all remember her bright smiling face as she led us in cheers at football and basketball games.

As a junior, Nancy became President of her class. Under her leadership, the juniors gave the Junior-Senior Prom, which was an event worth remembering. Nancy also served in the Executive Council and Congress of the S.C.A.

Nancy continued to show her ability to lead in her senior year by becoming the first girl in several years to hold the office of S.C.A. President. In this capacity, she led the Warwick student body to greater and better activities.

Because of her interest in S.C.A. work, Nancy attended the S.C.A. State and District Conventions, and the S.C.A. workshop. She also served as a delegate to the S.C.A. Federation for two years.

For her display of interest in so many fields, Nancy was chosen "Best All Around Girl" in the Senior Class.

Next year, Nancy will probably attend William and Mary to prepare herself for a teaching career. We know she will be as great an asset there as she has been to Warwick. In parting we would like to say, "Good luck, Nancy. You deserve the best."

Nancy Lee Curtis

Mary Catherine Sellers, with her friendly smile and charming personality, is easily recognized as a "Senior Leader."

Ever since Mary Catherine entered Warwick, she has been enthusiastic in the many jobs which she has undertaken. She has been quite active in the Hilton Presbyterian Church of which she is a member. As chairman of the Honor Council, we say to her "a job well done."

She has served her school as various homeroom officers, and has served on the S.C.A. committees.

This year, the Daughters of the American Revolution presented Mary Catherine with the Good Citizenship award, which is, indeed, a great honor. We are so happy for the girl who has the qualified traits of leadership, service, dependability, and patriotism.

During her senior year, she served as picture editor of the **1957 Warwick**. Because of her patience and hard work, Mary Catherine has achieved in her many aims.

Westhampton, Mary Catherine's choice as a college, is gaining a girl who is going to make the most out of life, and who will continue the colorful and honor-filled road which she has left here at Warwick. She will major in teaching, and we wish her all of the success in the world. Mary Catherine will always be remembered as a great "leader."

Mary Catherine Sellers

## LEADERS

A spirit of co-operation and a willingness to work, well qualify William Larry Respass as a Senior Leader. His work in many activities throughout the school show his versatility.

He has been active on many S.C.A. committees. He served as a representative on the Honor Council, President of the Science Club, officer of the French Club, and has held various homeroom offices.

Larry has also taken an active part in sports. He has been a member of the Tennis Team and the Track Team, bringing honor to Warwick for his excellent performances in the high jump.

He has been a member of the Key Club and Hi-Y, where he served the community in many ways.

Larry was elected as the Senior boy "most likely to succeed," a title which he truly deserves. He is always ready to give a helping hand, whatever the job may be. His enthusiasm and cheerfulness, his intelligence and perseverance, are just a few among his many fine qualities.

Next year Larry plans to continue his studies at V.M.I. where he will probably enter the field of chemistry. We feel sure he will excel in whatever he undertakes. We wish the best of luck and success always to a wonderful person.

## JUNIOR-SENIOR PROM

Time: 9:00-12:00 Date: May 11, 1957

With the theme "Celestial Fantasy" and the song "Stairway to the Stars," the cafeteria became a heavenly maze of stars and moons, against a background of royal blue crepe paper. The decorations, beautiful dresses, delicious refreshments, and heavenly music by Tommy Phelps and the Playmates made the evening a wonderful success, long to be remembered.

Mr. and Mrs. G. W. Cox, Jr., and Mr. and Mrs. Barclay Sheaks take time out for a heavenly evening.

Betty LaRue, Phyllis Hockaday, Bobby Allen pose for a picture, while Nancy Curtis, Dick Petty, and Linda Ivins chat on.

Here is our "Stairway to the Stars."

Janet Wainwright and her escort enter uncertainly through the archway.

Our cafeteria became a "Celestial Fantasy" with the help of royal blue crepe paper and silver glittered stars.

## ACKNOWLEDGEMENTS

As we leave Warwick in 1957 we would like to express our appreciation to the following who have helped us to publish this book:

NACHMAN'S STUDIO for taking our individual pictures.

MR. GENE EDMONDS for taking our group pictures.

THE EARLE STAFF for the use of snapshots.  
THE MYERS PUBLISHING COMPANY and  
MR. NEILL WATSON for their advice and the printing of this book.

THE STUDENTS, FACULTY, and ADMINIS-

TRATION for their interest and cooperation throughout the year.

MR. ED THOMAS for printing materials used by the staff.

OUR ADVERTISERS for supporting this publication.

MRS. BRUCE GRENOBLE, our adviser, whose patience, advice, and solutions to our problems made our job a success.
